## Hot Beverage Kettles

Memorable travel moments are destined to be shared over a beloved warm beverage while relaxing together in an oversized armchair. Enlist some help from the perfect kettle for just such an occasion and an impromptu spot of tea will

suddenly feel like a delicious jaunt across the pond. Arrange the finest tea assortment for guests to savor at their leisure, with the added luxury of finding their favorites, and every sip will taste even sweeter.

**CUISINART<sup>®</sup> PERFECTEMP<sup>™</sup> CORDLESS ELECTRIC KETTLE**

For tea to reach its full flavor, it should be steeped at just the right temperature – and this kettle has six preset temperatures for different varieties of tea. Fast heat-up and a keep warm option will maintain the set temperature for 30 minutes. The kettle can even be removed from the power base for up to 2 minutes without shutting off.

Item No. 1047648

**CAPRESSO<sup>®</sup> H2O STEEL PLUS ELECTRIC KETTLE**

Constructed of stunning stainless steel and features four specific settings to steep different types of teas. The automatic keep warm setting keeps the remaining water at the selected temperature between cups. Self-adjusts if additional water is added to the kettle during the keep warm cycle.

Item No. 1047077

**OSTER<sup>®</sup> ILLUMINATING ELECTRIC KETTLE**

Everyone will enjoy watching the beautiful blue light reflection in the water as this unique kettle brings it to a boil. The elegant glass kettle boils water quickly and easily prepares an array of different beverages. Accentuated by a comfortable black handle and stainless steel base.

Item No. 1053692

**MR. COFFEE<sup>®</sup> ELECTRIC FRENCH PRESS + HOT WATER KETTLE**

Extracts rich, full-bodied flavor at the perfect temperature without the need to boil water on the stove. There's no more mess, no more handling boiling hot water, no more hassle!

Item No. 1053691

**MR. COFFEE HOT TEA MAKER**

Steeps fresh tea with any flavor tea bags or tea leaves. Preset selections for steeping different types of tea. Removable stainless steel tea infuser and audible ready signal. Boil dry protection.
